

# Lobby Cash Dispenser ATM

E300L

Looking for a cash-dispenser-style ATM? Consider the E300L.

Organizations want options when it comes to deploying their ATM footprint and our lobby model gives you just that. Designed for low transaction venues, it provides cash dispensing in an attractive slim-line model that meets all industry standards. This freestanding unit is easy to install and easy to maintain, giving you very low total cost of ownership and high visibility for your brand. It is an ideal choice for virtually any indoor retail or lobby environment.

Whether you are looking to upgrade or simply replace your existing compact ATMs, consider the E300L series advantages:

- **Easy to use** – A color LCD display and high-speed cash dispenser enable customers to conduct transactions quickly and securely.
- **Easy to service** – Equipment uptime is critical to maintaining customer satisfaction – and revenue-generating activities. Count on the E300L to provide the uptime needed for your customers.

- **Easy to upgrade** – Buy what you need today, knowing that you can easily upgrade with new features, such as EMV software. All E300L ATMs are hardware ready for EMV.
- **Easy on your budget** – High quality, reliable and built to last, the E300L series is also cost-effective.
