† High Security Level 6 models meet requirements of NSA/CSS Specification 02-01 for the destruction of classified paper documents.

*Sheet Capacity: Listed USA number of 20 lb. 8 1/2" x 11" copier paper sheets shredded. The Intl. (International) number is the shred capacity for foreign 70 gsm A4 paper which is significantly thinner and lighter in weight than USA paper. When comparing sheet capacities of Cummins paper shredders to other brands, always compare sheet capacities for the same type of paper.

Specifications provided above and throughout this document are approximate and subject to change without notice.

LOCAL SERVICE & WARRANTY SUPPORT

Warranty and maintenance of Cummins shredders are handled locally. Cummins has factory employees in over 50 North American cities plus selected dealers in additional locations. This assures you of prompt, professional and local support.
