

Lobby Cash Dispense ATM

i21L

Looking for a cash-dispense style ATM?
Consider the cost-effective i21L.

The i21 is a high performing compact ATM designed for any retail or off-premise banking location. Designed for low transaction venues, it provides cash dispensing in an attractive slim-line model that meets all industry standards. This freestanding unit is easy to install and easy to maintain, giving you a low total cost of ownership and high visibility for your brand.

- **Minimize TCO** - Small footprint, superb performance and various security features reduce cost of operation, service and security labor involved.
- **Optimized Design** - ADA standard compliant, ergonomic and compact design increase customer satisfaction.
- **Rapid ROI** - Large topper screen (optional) offers an ideal advertising channel for revenue-generating activities.

Offer convenient, fast cash dispense capabilities, where and when consumers demand.

- Compact
- Easy to use
- Easy to service
- High reliability
